Families driving students to school must use the back entrance at Golden Hill Ave. Students may not be dropped off in the front of the building as it causes unsafe traffic issues with the buses. Drop off is 8:05am-8:25am.

## FROM THE GUIDANCE DEPARTMENT

The 8th grade tour of Haverhill High School has been rescheduled to Thursday, **January 23rd**. All 8th graders are expected to attend. We'll be leaving Nettle at 8:45am and returning at 11:15am.

The Whittier Tech. application deadline is Wednesday, **January 15th**. Please let us know if you have any questions about the online application process. The interviews will be held at Nettle School on February 10th and February 11th during school hours. We will be meeting with all applicants the week of February 3rd to give them their scheduled interview date and time. We'll also help prepare them with practice interview questions.

Interviews for Essex Tech. will take place at Nettle on March 4th at 8:30am.

On **January 23rd**, the 6th grade will be participating in a career fair, hosted by the Haverhill Public-Private Partnership (HP3). More information to follow....

Over the next month, we will be doing minute meetings with all 6th grade students during their Specials. The purpose of these brief meetings is to check in with students to see how their school year is going. If you have any questions, please don't hesitate to contact us.
