## **FROM THE GUIDANCE DEPARTMENT**

### **GRADE 8**

Haverhill High School is hosting an informational night for prospective Classical Academy students and parents at HHS from 6pm-7pm on **Wednesday, January 22nd**. Parents and students will have the opportunity to meet in small groups with advisors and current students to ask questions and get a feel for the program and its offerings.

The 8th grade tour of Haverhill High School has been rescheduled to Thursday, **January 23rd**. All 8th graders are expected to attend. We'll be leaving Nettle at 8:45am and returning at 11:15am.

Whittier Tech. interviews will be held at Nettle School on February 10th and February 11th during school hours. We will be meeting with all applicants the week of February 3rd to give them their scheduled interview date and time. We'll also help prepare them with practice interview questions.

Interviews for Essex Tech. will take place at Nettle on March 4th at 8:30am.

### **GRADE 6**

On **January 23rd**, the 6th grade will be participating in a career fair, hosted by the Haverhill Public-Private Partnership (HP3).

Over the next month, we will be doing minute meetings with all 6th grade students during their Specials. The purpose of these brief meetings is to check in with students to see how their school year is going. If you have any questions, please don't hesitate to contact us.
