8th Grade End of Year Expectations

As we approach end of year activities like graduation, the graduation dance, field day, and the Canobie Lake trip, we would like to remind our 8th grade students of our behavior expectations and consequences.

-Going forward after February vacation students who have conduct issues resulting in in or out of school suspension may not be eligible to participate in end of year activities.

-Students with more than 2 conduct referrals 30 days prior to an event may not be eligible to participate in that event.

-Students with excessive tardiness or unexcused absences may not be eligible to participate in end of year activities.

Thank you for your ongoing support.
