Coronavirus Update

Nettle continues to follow the guidance of the Massachusetts Department of Public Health (MDPH) and the Haverhill Board of Health in our response to coronavirus. There are no confirmed cases of coronavirus in Haverhill at this point. The MDPH and CDC recommends precautions used for reducing the risk of infection for other illnesses, such as flu:

- Wash your hands for 20 seconds or more with soapy water. If unavailable, use hand sanitizer.
- Avoid touching your eyes, nose, or mouth with unwashed hands.
- Avoid contact with people who are sick
- Stay home while you are sick (except to visit a health care professional) and to avoid contact with others.
- Cover your mouth/nose with a tissue or sleeve when coughing or sneezing.
- Get adequate sleep and eat well-balanced meals to ensure a healthy immune system.

If you have any questions or concerns please feel free to reach out.
