

Dear Nettle Families,

These are suggested schedules for remote learning. We understand that most families have students sharing a computer, so all live lessons will be recorded for later viewing. We have also included a list of when teachers are “live” or have “office hours” to give extra help as needed. Sub-separate programs will be receiving their schedules directly from the teacher.

Students should sign on each day to check their Google Classrooms and complete assignments. Students should do one Special each day (PE, Health, Music, or Art - student choice). Classes will be graded as credit/no credit. Counselors are also available for usual services or if you feel that your student needs support.

Queridas familias de Nettle,

Estos son horarios sugeridos para el aprendizaje remoto. Entendemos que la mayoría de las familias tienen estudiantes que comparten una computadora, por lo que todas las lecciones en vivo se grabarán para su posterior visualización. También hemos incluido una lista de cuándo los maestros están "en vivo" o tienen "horas de oficina" para brindar ayuda adicional según sea necesario. Los programas separados por separado recibirán sus horarios directamente del maestro.

Los estudiantes deben registrarse cada día para revisar sus Aulas de Google y completar las tareas. Los estudiantes deben hacer un especial cada día (educación física, salud, música o arte: elección del estudiante). Las clases se calificarán como crédito / sin crédito. Los consejeros también están disponibles para los servicios habituales o si cree que su estudiante necesita apoyo.

Grade 5 Suggested Schedule

	<i>Monday</i>	<i>Tuesday</i>	<i>Wednesday</i>	<i>Thursday</i>	<i>Friday</i>	<i>Special Education Support</i>
8:00-8:30
