## Notes from the Nurse

The end of the school year is quickly approaching! If your child has an epi pen, inhaler, or other medication in the health office please make arrangements with the nurse to pick up medications by the last day of school. Any medications left in the nurse's office beyond the last day of school will be discarded.

As the weather starts to get warmer please remind your student to bring a water bottle to school with them!

We have had a number of COVID cases in our community recently. Please be mindful of measures you can take to prevent the spread, frequent hand washing, masking when appropriate, and staying home if you are unwell. If you are concerned about COVID impacting your child's ability to attend end of year celebrations, please reach out to the nurse.
