Chromebooks

Haverhill Public Schools has chosen School Device Coverage (SDC) to insure the devices that will be given to your student as part of this year's 1:1 device program. For only \$20 per student, this insurance program will protect you and your student(s) in the event that your device is lost, stolen, or damaged

accidentally over the course of the school year. Please follow this link for more information and to sign up.

From the Nurse

Hello Nettle Families from the Nurse's Office. I would like to notify everyone that a yellow form will be coming home with your child this weekend. The form is from Polished Dental. This is a free service that provides dental care for your child. Their services include fluoride treatments, cleaning, sealants, and dental screenings. Please review the form (it is in English and Spanish). If you would like to participate in this program, please fill out the form and submit it back to the nurse's office. This is voluntary and NOT required. If you have any questions regarding the program, dental services, dental healthcare, or anything else; please reach out to me. I can be reached at 978-374-5794 or at Jennifer.Huynh@haverhill-ps.org.

DROP OFF AND PICK UP

The Nettle Middle School day begins at 8:30am and ends at 2:45pm.

Drop off is 8:05am-8:25am, pick-up is 2:45pm-3:00pm (except for after school activities). **Half day dismissal is 11:05**

Families driving students to school or picking up after school should use the back entrance off of Golden Hill Ave. Please do not drop off or pick up in the front of the building or the road going up to Golden Hill as it causes excess traffic with the buses.

CELL PHONE POLICY

Families,

Please help us enforce our cell phone policy by talking with your students at home. **All students at Nettle Middle School are required to keep their cell phones in their school locker during the school day.** The school issued locks to all students at the start of the year to ensure safe storage of cell-phones and other personal belongings.

Students who use and/or have their phone out in plain sight during the school day will have their phone taken away. The cellphone will be brought to the office and stored in a secure location until pick-up. Cell phones are a huge distraction to learning and with the 1:1 Chromebook initiative we have more productive ways to use technology. Thank you for your support.

Please keep checking the Nettle Middle School website for updates. **nettle.haverhill-ps.org**
