From the Nurse

Hello, Nettle Families from the Nurse's Office. I hope everyone had a great week of school. I would like to remind everyone that we are still looking for Polished Dental forms to be returned to us. It was sent home last week as a big yellow sheet. This is a free service that is being provided so please sign your children up! We have noticed an increase in COVID cases that are being reported to the office. Please monitor your child and test them appropriately and as needed. We can send home test kits if you need them. Please notify me if you would

like some test kits. If you have any questions or concerns, please reach out to me. I can be reached at 978-374-5794 or at Jennifer.Huynh@haverhill-ps.org.

DISCOVERY CLUB

Discovery Club sign-ups are being accepted now. Discovery Club is an after school and before school program that will begin the week of **October 10th**. Sign-ups must be done online and if you need any more information you may see Mrs. O'Connell Room 507 for more information. [Discovery club sign up link](#)

More information about other after school programs offered by the YMCA, Boys and Girls Club and more are available at the Front Office at Nettle.

GSA CLUB

GSA will meet on Tuesdays from 3:00 - 4:00 after school beginning Sept 20 in Room 503. It's a place to be yourself. All are welcome. See Mr. Klein for details.

DROP OFF AND PICK UP

Please don't pass cars that are dropping off or picking up students. You never know which side of the car a kiddo might pop out of. Thank you for your cooperation.

Please keep checking the Nettle Middle School website for updates. nettle.haverhill-ps.org
