From the Nurse

Hello, Nettle Families from the Nurse's Office. I hope everyone is doing well and staying healthy. We have seen an increase in cold symptoms among the students. Please test your children with covid kits as needed. If you need some more, please let me know. We are still collecting Polished Dental forms, please send them in if you want to participate in this service. Please let me know if you need a new form. If you have any questions or concerns, please reach out to me. I can be reached at 978-374-5794 or at

Jennifer.Huynh@haverhill-ps.org.

Bus Rules

You can only ride the bus you are assigned to. I know sometimes students want to go home with a friend on a special occasion but, in order to ensure the safety of all students, it is important that only students assigned to a bus ride that bus. If you want to change your child's bus assignment please contact transportation at transportation@haverhill-ps.org

DISCOVERY CLUB

Discovery Club sign-ups are being accepted now. Discovery Club is an after school and before school program that will begin the week of **October 10th**. Sign-ups must be done online and if you need any more information you may see Mrs. O'Connell Room 507 for more information. [Discovery club sign up link](#)

More information about other after school programs offered by the YMCA, Boys and Girls Club and more are available at the Front Office at Nettle.

Instrument Rental for Band

Instrument Rental Night for the Band is Monday after school at the Nettle Cafeteria from 3:30 until 6:30.

PTO

The next PTO meeting will be **October 17 at 3:15**. The PTO is adjusting the time in hopes to attract more participants. Please come - check out all the hard work they are doing for your students.

Please keep checking the Nettle Middle School website for updates. nettle.haverhill-ps.org
