Saturday, September 25th

Car Wash at Haverhill Fire Station (9am - 1pm)

Friday September 30th Last day to donate to Savers Fundraiser

PTO

Buy your mums from the PTO September Fundraiser this year

Attendance

Showing up matters for **R.E.A.L** because it is an opportunity to:

- Build **Routines**
- Increase **Engagement**
- Provide **Access** to resources
- Support **Learning**

Routines: Establishing a routine of daily attendance helps reduce stress at home and supports a habit of attendance that will help your teenager get and keep a job.

Engagement: Being in school helps students to get to know each other and school staff and builds relationships that can motivate participation in learning.

Access to Resources: Schools provide access to valuable resources such as meals, health, mental health supports and fun enrichment activities such as sports, clubs, music, and other afterschool and summer programs.

Learning: Students who attend school regularly do better academically in middle school and are more likely to graduate from high school.

Chromebooks

IReady testing begins next week - please be sure your student has a charged device on Wednesday

LOOP Program

The Loop classes at HHS will begin on Wednesday, September 7th before school for 8th grade students who registered last year. Buses will pick students up at the high school at the end of their class every morning and drop them off at Nettle during homeroom. Students will check in with the office upon arrival at Nettle to confirm attendance.
