## From the Nurse

Hello, Nettle Families from the Nurse's Office. As a reminder, when students return to school, we will begin our scoliosis screening for 5th-8th graders. Please notify me through email or a note if you do not want your child to participate in the screening. We are currently working on our immunization records and will be reaching out to families if we are missing certain records. These are state-mandated requirements. If you have records of

vaccinations or a physical, please submit them to the nurse's office. Alternatively, you can reach out to your child's pediatrician to fax these records over to the school. It can be faxed to (978) - 274 - 1943. We are still looking for people for Polished Dental. They have completed their first round of students and will be returning in a couple of weeks for new students. If you wish to participate in this free health service, please reach out and we will send home the permission slip. For any other questions or concerns, please reach out. I can be reached at 978-374-5794 or at [Jennifer.Huynh@haverhill-ps.org](mailto:Jennifer.Huynh@haverhill-ps.org).
