During sporting events please be respectful to the players, coaches and referees. We are having a difficult time finding refs and yelling at them during the game is not helping.

From the Nurse

Hello, Nettle Families from the Nurse's Office. I'm happy to say that the Polished Dental visit went well! We had so many students sign up that Polished Dental will have to come back for a second visit to finish up. If you haven't already signed up and are still interested, please let me know and I can send you another form. We still have plenty of COVID test kits that are ready to be sent home. Please contact me if you would like some of them.

Furthermore, starting Oct. 17th, we will begin our mandated screenings. We will start with our Postural Screening, also known as Scoliosis Checks. We will be checking 5th-8th graders. If you do not want your child to participate in the screening, please send me an email or a note. As the year progresses, we will screen 7th graders for hearing, vision, and BMI (height and weight). Additionally, we are collecting physicals and vaccination records.

Please submit them to the nurse's office. We will be sending out letters in the next few weeks of missing vaccination records. Please reach out to your child's doctor for records of a physical or vaccinations. These records can be faxed to (978) - 274 - 1943. Thank you and have a great long weekend! If you have any questions, or concerns, or would like to opt out of future screenings, please reach out to me. I can be reached at 978-374-5794 or at Jennifer.Huynh@haverhill-ps.org.

From Mrs.Crowley, School Counselor Grades 7 & 8

Hello! I'm in the process of meeting with all 8th graders regarding high school options and the transition to high school. All of the information that I'm discussing with your students will be posted in the 8th Grade School Counseling Google Classroom. All 8th graders are encouraged to join my google classroom to stay up to date on high school information that I will be posting throughout the school year. I'm looking forward to working with your child on the transition to high school! If you have any questions, please let me know. I can be reached by email at mcrowley@haverhill-ps.org or (978)374-5792. Thank you!
