Dear Parent or Guardian:

Federal education law requires that parents/guardians of children enrolled in Title I schools be notified if their child has been taught for four consecutive weeks by a teacher who does not meet State licensure requirements at the grade level and subject area in which the teacher has been assigned. As of this writing, your child's teacher Mr. Pinto has not met the State licensure requirements for grade 7/8 Science. He is, however, currently working to meet the requirement and we have full confidence in his ability to teach effectively in this assignment between now and when he finishes his program..

If you have any questions regarding Mr.Pinto's qualifications, please feel free to contact us at (978) 37-5792.

Sincerely,

Eileen Doherty

Nettle Principal
