Do you have COVID-19 and have symptoms?

Learn how to get free treatment.

A new telehealth service can tell you if the COVID-19 pill is right for you. The pills can be sent to your pharmacy or to your home—for free!

How it works:

1. Go to **color.com/ covid-19-treatment-ma** or use the QR code.

2. Log in or create a free account. Tell us about your symptoms.

3. Join a video call with a clinician to see if you are eligible.

4. Pick up your prescription at your pharmacy or get it delivered to your home.
