From the Principal's Desk

Good Morning Nettle Families! September is coming to a close. You will be receiving MCAS Data soon and, I suspect you will be happy with your student's growth. If you have any questions about your student's performance please do not hesitate to reach out to anyone on the Administrative team or your child's teacher - we will be happy to analyze the results with you.

We are also in the process of preparing for Fire Drills and ALICE drills. As you know practicing for emergencies is essential for the safety and well-being of our students and

staff. Starting in October, in conjunction with our community safety agencies, Nettle Middle School will be conducting A.L.I.C.E. drills and Fire drills.

Eighth-grade students are trying to raise funds for the 8th-grade trip to Washington DC in the Spring. Bring your clothing donations to Nettle Middle School! Help us raise money for our 8th graders' Washington, D.C. trip!
Drop off clothes between August 28th - January 12th in the Nettle Café.
