From the Principal's Desk

This is the last week for Savers. We intended to have the collection go longer but we have run out of space.

As a reminder Term One ends on December 6th. Please check Schoolbrains to make sure your child is caught up on their work before then.

Every day your child attends school increases their chance of graduating high school. Please make this a priority in your home.

Math Make Keep Supplies Nearby

A handy stash of school supplies will keep homework time moving along smoothly. Have your child fill a box or basket with everything he needs (paper, pencil, scissors, glue, ruler, graph paper, colored pencils, calculator). You might also keep poster boards and other materials for projects nearby as well. Remind your child to monitor the supplies and arrange a time to shop with you for ones that are running low.

ELA Coach

The library has been quite active this school year! Top authors being checked out include Jeff Kinney (Diary of a Wimpy Kid series), Alan Gratz, Raina Telgemeier, and Ann Martin (Babysitters Club series). Other popular titles are from the manga and sports sections. If your child has checked out a book from the library, please remind them that there are due dates for those books. If they are unsure of the due date they can check with library staff. Check out these statistics! Grade 5 has checked out 161 books, Grade 6 has checked out 138, Grade 7 has checked out 127, and Grade 8 has checked out 82. Those are just for last month! KEEP READING!
