From the Principal's Desk

The fifth and sixth grade students finished their ELA MCAS this week and the seventh and eighth grade students will start ELA this coming week. The students worked very hard and are so proud of their efforts!

We are looking for a couple of grade 7 or 8 parents who are interested in working with a team of parents to coordinate the 8th grade celebration and dance. If you are interested please reach out to Jess Doucette at jessicadoucette88@gmail.com

The Loop will be cancelled on 5/21 and 5/22 due to MCAS testing at HHS. Middle School students should report directly to their middle schools on those days.

The Site Council meetings are online at 5:00 pm if you are interested in being invited email me at eileen.doherty@haverhill-ps.org

Math Coach:

Here is an exciting game to play at home. All you need is a die (number cube), paper and pencil. This game helps to enrich your child's problem solving skills and is lots of fun:
