From the Principal's Desk

As we prepare for summer time consider asking your student to read a book before bedtime. Please take a look at the [suggested summer reading lists](#).

We have a program in Haverhill for 8th grade students who want to take enrichment classes in the morning before school at Haverhill High. This program is called the Loop program and it is held every Monday, Tuesday and Wednesday. Students are transported by bus to the High School in the morning and then transported to Nettle for the start of the day. I have attached the application for next year's Loop Program for families of next year's 8th grade students. The application is due on July 1st. Next year the High School will offer Band, Chorus, Italian, Latin, and JROTC.
